DEAR FRIENDS OF THE PSO,

We are thrilled to present you the 2021-22 season! We cannot wait to share the beauty and emotion of music with a live audience—you.

The PSO's ability to make music this past season was a blessing, and it would not have been possible without your support. We embraced the challenges and became one of the few orchestras in the country to provide a full digital season. We filled your homes with music by Vivaldi, Mozart, Márquez, Debussy, Walker, Tchaikovsky, Kats-Chernin, and other greats.

We have missed your presence and the energy that only live concerts can bring. We cannot wait to get together again this new season—to celebrate music, our musicians, and the resilience of our community. The sounds of Bach, Price, Dvořák, Brahms, Berlioz, and many others will lift our spirits and provide nourishment to our souls.

I look forward to seeing you soon!

Eckart Preu, Music Director
